RE: Limits for Individual PCA workers

---

Per Minnesota Statute §256B.0659, subd. 11, PCA provider agencies may bill up to a maximum of 310 hours per month, per individual PCA worker regardless of:

- The number of people the PCA worker supports
- The number of agencies with which the PCA worker is affiliated

IMCare will seek monetary recovery for individual PCA providers that exceed 310 hours of PCA services per month.
