Dear Veterans:

Attached is the schedule for the Veteran's Van to the Minneapolis VA Medical Center. Please note the Van will go only certain days of the week. **It will be the responsibility of the Veteran if he/she requires transportation to ensure his/her appointment is scheduled for the days that the Van is going to the VA Medical Center.**

The attached calendar is marked with **circled dates**, the days we will be transporting. **Please have your appointments scheduled accordingly. To reschedule your appointment to a day the Van is going, call 612-725-2002, VA appointment scheduling desk.** The VA will only take scheduled appointments, there will be no more walk-ins.

*Please note that these are approximate pick-up times. The driver could be late due to scheduled pick-up or inclement weather.

The only exceptions will be for veterans who absolutely cannot drive or get a ride to the pick-up point, then prior arrangements must be made. Please allow one (1) week prior for arrangements.

Please call and confirm your appointment and pick-up time at least one week in advance to the day you are riding. IF YOU DO NOT call, you may find the Van not going or full and left without you!

Please remember, the Van is not equipped, nor are the drivers trained or qualified to handle medical emergencies. We will not transfer anyone with life threatening emergencies. You should call the local ambulance service when dealing with emergencies. If you are wheel chair bound, please specify the amount of your mobility as the Van **does not** have a wheel chair lift.
